

Biography template

Please provide providing a mini biography describing yourself and the skills and experience you would bring to the Board (approximately 100 words).

To view examples of Board members biographies on our website, these can be accessed here: [Our Board | Healthwatch Hertfordshire](#)

Note: A biography along with a fully completed application form must be submitted to be considered for this role.

I worked in the NHS for over 30 years as a Therapeutic Radiographer, reaching the position of Radiotherapy Service Manager before taking early retirement in 2006.

I have wide experience of Cancer Service provision, local, regional and national strategic planning, training and education.

Since “retiring”, I have been involved as a member of the Board of Governors at the United Hospitals Bath NHS Trust, volunteered with Healthwatch Wiltshire, and more recently, since moving to the area, with Healthwatch Herts.

I was also part-time programme manager for The Soldiering On Awards – and annual Awards event honouring and recognising the achievements of former members of the Armed Forces, after leaving - especially those who suffered injuries, both mental and/or physical. More recently the Awards merged with the X-Forces Enterprise organisation and expanded to include several business categories.

I feel that I would bring a wealth of knowledge and experience of many aspects of Health service provision, both as a provider and a stakeholder, as well as an appreciation of the challenges faced. (www.soldieringon.org)
