REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2023

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

We publish a separate, detailed annual report which outlines our objectives and aims in some detail. We summarise these as follows:

"Healthwatch Hertfordshire is the independent champion for health, social care and public health in Hertfordshire"

Healthwatch Hertfordshire became a charity on 1st August 2014. In addition to producing this Trustees' annual report, it is required to submit an annual report to Healthwatch England. The Department of Health issued directions which came into force on 2 December 2013 setting out the issues which must be covered in the annual reports of local Healthwatch organisations. Issues required include how the local Healthwatch organisation has gathered the views of people on local health and care services.

Healthwatch Hertfordshire published its latest report in June 2022. The document is available on the Healthwatch Hertfordshire website and paper copies are available on request. This report covers in detail the priorities, activities providing public benefit, and achievements of the organisation during 2021-22.

This report covers in detail the priorities, activities providing public benefit, and achievements of the organisation during 2021-22. It explains Healthwatch Hertfordshire's role and how the organisation represents the needs and concerns of Hertfordshire's communities, including potential service inequalities. The document shows Healthwatch Hertfordshire's involvement with Health and Social Care commissioners and providers to help bring about improvements in services provided. It also highlights the challenges the organisation faced, and provides an insight of the experiences of the public in using Health and Social care services in Hertfordshire.

Public benefit

In setting our objectives and planning our activities we have given careful consideration to the Charity Commission's general guidance on public benefit. In particular, Healthwatch Hertfordshire's role is to ensure that views of residents about health and care services are heard. These views and experiences are reported to commissioners and providers to help improve services locally. The conveying of these views, supported by research findings, are used to help make a difference in the quality of services and ensure that health and care services are provided as effectively and efficiently as possible for the public.

ACHIEVEMENT AND PERFORMANCE

Charitable and Fundraising activities

Healthwatch Hertfordshire Ltd is mainly funded by Hertfordshire County Council, under a contract that originally ran from April 2013. The County Council has subsequently extended the contract on a number of occasions. Most recently the contract was extended this year until March 2023.

We continue, with the agreement of the County Council, to use reserves to maintain the current level of activity and continue to look for complementary revenue funding and continue to adopt ways to deliver our activities more efficiently.

Our activities are outlined in detail in the Annual Report. Healthwatch Hertfordshire is hard at work championing patient interests, and working with a wide range of stakeholders. A large part of Healthwatch Hertfordshire's role is about finding out what people think about local services so that we can build a picture of performance and quality from the patient and public perspective.

REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2023

FINANCIAL REVIEW

Financial results

The trustees recognise that, from a purely financial perspective, the results for the year were exceptional; achieving a surplus of £62,212 compared to a deficit of £28,488 last year meant that Retained Funds increased from £291,349 last year to £353,561 this year. This strong performance was due to a number of factors that are unlikely to be repeated in future years.

Reserves policy

Healthwatch Hertfordshire Ltd received £250,008 from the Shaw Trust Link Project funding when it was incorporated and has been included in unrestricted reserves as a contingency fund. During the year the Board agreed to reduce the Contingency Fund to £200,000 with the balance being released to the General fund.

Locally funding for Healthwatch Hertfordshire is provided to Hertfordshire County Council who contract Healthwatch Hertfordshire to provide a local Healthwatch service. The service is contracted until March 2023. Discussions are ongoing with the County Council as to further commissioning of the service.

The Board's view is that it needs sufficient general reserves in the event of the termination of our contract with HCC. These liabilities would include contractual obligations to staff, office rental and other contractual obligations. The Board is confident that the level of general reserves is more than sufficient to meet these contractual obligations.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Healthwatch Hertfordshire Limited, a charitable company, is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Recruitment and appointment of new trustees

New trustees are recruited as required; Positions are openly advertised and the organisation adopted a new approach to Trustee recruitment in 2021 to encourage a more diverse range of Board members and more closely reflect the populations we serve. The Board recommends applicants who meet the role requirements to the membership of the company as potential candidates for election. The membership then elects trustees from the list of potential candidates.

Organisational structure

The main Board meets quarterly. There is a main subcommittee that advises the Board, it meets regularly to ensure that Healthwatch Hertfordshire Limited is developing and meeting its objectives, and the subcommittee makes recommendations to the Board. The executive is led by Chief Executive Officer, Geoff Brown.

Induction and training of new trustees

Healthwatch Hertfordshire Ltd is fully committed to providing an extensive induction programme for new Trustees as well as on-going training and support, and has developed procedures to monitor the performance of Board members, both individually and as a whole.

HEALTHWATCH HERTFORDSHIRE LIMITED

Independent examiner's report to the trustees of Healthwatch Hertfordshire Limited ('the Company')

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
