Note: A biography along with the fully completed application form must be submitted to be considered for this role.

Ryan is a Development Manager for Hertfordshire County Council, focusing on addressing inequalities for residents who are deaf or hard of hearing, visually impaired, or deafblind. He has 6 years' experience in a range of project, data, and performance roles across local government, bringing a strong knowledge and understanding of local government and the need to involve residents in every stage of the decision-making process.

Ryan works closely with colleagues from across Health & Social care to ensure residents with a sensory need can play an equal role in society. It is only through a strategic approach involving all partners and residents that these long-standing issues can be tackled.
